

Pupil premium strategy statement

Holbeach St Marks Primary School 2018/19

1. Summary information			
School	Holbeach St Marks Primary School	Pupil Premium Review completed	November 2018
Academic Year	2018/19	Total PP budget	£10,560
Total number of pupils	41	Number of pupils eligible for PP	8

2. Current attainment KS2 2017/18			
	<i>Disadvantaged pupils</i>	<i>School</i>	<i>National Average</i>
% achieving in reading, writing and maths	0	83%	61.1%
% achieving expected standard in Reading	0	83%	71.4%
% achieving expected standard in writing	0	83%	76.3%
% achieving expected standard in maths	0	83%	74.8%

Barriers to learning	
High inward mobility	
Parental engagement	
Teacher changes	

What do we want to achieve?	How are going to achieve it?	Timescale	Resources Cost to school	Lead Person	Success Criteria	Monitoring. When? How? Who?	Impact - How will we know if we are successful? What questions do we need to ask?
Provide good quality intervention to ensure disadvantaged pupils make accelerated progress.	Review TA use in the classroom and intervention for effectiveness during English and Maths Reviews.	September 2018	Supply costs	SM	School have evaluated the effectiveness of TA support in the class. Pupils to attain in line with FFT 20 predictions.	Subject leaders through English and Maths reviews.	How are TAs used effectively? What is it that the most effective TAs are doing? Do we need additional training for teachers and TAs?
	Provide teacher intervention in: Y6 & Y2 and QFT intervention	September 18 - May 19	£5,745 Y2 £3,462 Y5/6	KW/SM	Children to make good progress from their starting points and previous key stage. For progress and attainment for disadvantaged pupils to be in line with non-disadvantaged pupils.	KW through pupil progress meetings.	What percentage of children in these groups are making accelerated progress?
	Intervention in pre-learning provided - planned by class teachers to support those pupils at risk of falling behind.	September 18 - May 19 September 2018	£4,322	SM/KW		KW through pupil progress meetings.	
	Intervention planned for higher ability pupils.						
	Targeted after school booster provided at all schools for pupils in Y2 and Y6 identified from FFT with potential for Greater Depth.	October 2018				Pupils to attain in line with FFT 20 predictions.	KW through pupil progress meetings.

<p>Provide early intervention in EYFS</p>	<p>All children to be WELCOMM screened as part of the school baseline.</p> <p>Provide phonics and early language interventions in EYFS.</p> <p>Take part in the Spread the word project.</p>	<p>September 2018</p>	<p>£776</p>	<p>GT/SR</p>	<p>Progress is accelerated for all children receiving intervention.</p> <p>For progress and attainment for disadvantaged pupils to be in line with non-disadvantaged pupils.</p>	<p>KW through pupil progress meetings.</p>	<p>What percentage of children in these groups are making accelerated progress?</p>
<p>Provide Phonics Intervention</p>	<p>Phonic screening to take place in January and identified boosting to be targeted at those pupils at risk of not meeting the standard.</p>	<p>January 2019</p>	<p>£1000</p>	<p>GT/SR</p>	<p>Progress is accelerated for all children receiving intervention.</p> <p>For disadvantaged pupils to attain in line with no disadvantaged pupils nationally.</p>	<p>KW through pupil progress meetings.</p>	<p>What percentage of children in these groups are making accelerated progress?</p>
<p>For disadvantaged pupils to be resilient and have full access to the curriculum.</p>	<p>DEN outreach to be provided for GDE.</p>	<p>September 2018</p>	<p>Cost covered by Westmere</p>	<p>KW/ES /KS/SM</p>	<p>Vulnerable children are supported to ensure that their emotional wellbeing is nurtured.</p>	<p>KW through pupil progress meetings.</p>	<p>Are vulnerable children falling behind? What is the percentage of these pupils making good progress?</p>
<p>To improve pace during lessons and over a series of lessons</p>	<p>CPD to all staff on increasing pace in English and Maths lessons</p>	<p>November 2018</p>	<p>Staff meeting</p>	<p>KW/PD/ SW</p>	<p>For children to produce more work during a lesson or series of lessons.</p> <p>Pupils to attain in line with FFT 20 predictions.</p>	<p>SLT through reviews and work scrutiny</p>	<p>The amount of work produced in a lesson should increase, we should also begin to see accelerated progress both in terms of work in books and outcomes</p>

Holbeach St Marks Primary School
Learning Through Life's Christian Journey

<p>To improve the use of AfL, in particular the use of LO and success Criteria</p>	<p>Provide CPD to all staff on the use of effective LO and success criteria</p> <p>Provide planning support where necessary to those teachers who are identified as requiring LO support.</p>	<p>October 2018</p>	<p>Staff Meeting</p> <p>SLT release time.</p>	<p>KW /SLT</p>	<p>For LO and success criteria to be used to improve outcomes for children.</p> <p>Pupils to attain in line with FFT 20 predictions.</p>	<p>SLT through reviews and work scrutiny</p>	<p>Are LO as shared in lessons and in books appropriate?</p> <p>Are success criteria used to move learning forward? Can we see clear progress in books?</p>
<p>To improve planning and QFT in mixed aged classes</p>	<p>For teachers in HSM and GDE to take part in the small schools maths and English project.</p>	<p>September - October 2018</p>	<p>Supply - costs refunded by the LA</p>	<p>KW</p>	<p>For outcomes for children to improve due to QFT.</p>	<p>SLT through reviews and work scrutiny</p>	<p>Are we seeing accelerated progress in the small schools?</p>
<p>To ensure that the attainment and progress of all pupils, but particularly the most able pupils is accelerated.</p>	<p>For PPM meetings to use the FFT data for early identification of where children are falling behind.</p> <p>English and Maths challenge lesson study to take place termly</p>	<p>September 2018</p> <p>October 2018</p>	<p>Cover for PPA</p> <p>Staff Meeting</p>	<p>KW</p>	<p>Progress is accelerated for all children.</p>	<p>KW through pupil progress meetings.</p>	<p>What percentage of children in these groups are making accelerated progress?</p>

4. Our schools use our pupil premium spend on a number of initiatives that are included in the Sutton Trust EEF Teaching and Learning Toolkit. Examples are included below.

<u>After school programmes</u>	The schools offer a variety of after school clubs. There are a number of sports focussed clubs. More recently some academic clubs have been by invitation to targeted clubs.
<u>Small group tuition</u>	All three schools provide one to one tuition for pupils requiring support. This is sometimes specific programmes, but can also be as a result of not being able to do something in the classroom and additional tuition is needed. The tuition also takes place during split input sessions in class. The small group work is carried out by teaching assistants and teachers.
<u>School uniform</u>	Some pupil premium children have accessed free school uniform. Although the EEF toolkit would suggest no month's improvement, it is important for social reasons that children are not made to look different
<u>Phonics</u>	The schools have provided additional members of staff to deliver phonics teaching and phonics intervention.
<u>Social and emotional learning (SEL)</u>	The pastoral teaching assistant at Westmere has planned SEL interventions four afternoons per week. These support children with social and emotional difficulties. There are some children that require the work for a small amount of time where others require it longer term. We have also referred children and families to family support workers and counselling where necessary. We have also recently started a nurture group to further support children's SEL.
<u>Sports participation.</u>	We now employ a number of sports coaches who work at all three schools. They deliver lunchtime and after school clubs. The schools are now part of a football league with other local primary schools. All three schools also take part in sports competitions.

Holbeach St Marks Primary School
Learning Through Life's Christian Journey

<u>Parental Involvement</u>	We have planned in several workshops this term to encourage parental engagement. School are working with the children's centre to further develop parental involvement.
<u>Outdoor adventure learning.</u>	The schools take part in two residential visits, one for Y3/4 which takes place on a farm and one for Y4/5/6 which takes place at Hilltop, an outdoor pursuit's centre. The school provide funded places for pupil premium children to these.
<u>Behaviour interventions</u>	The pastoral teaching assistant is used to support with behaviour. The schools also employ a number of TAs to support children with behavioural difficulties to avoid exclusion where there is not statutory funding in place.
<u>Mastery Learning</u>	Interventions take place at all three schools; these are child focussed around what the children need.
<u>Meta-cognition and self-regulation</u>	HSM and GDE have used the Chris Quigley materials the secrets of success. This scheme of work based on Stephen Covey's book, the seven habits of highly effective people, gives children the opportunity to develop independence and resilience in their work. All three schools use the growth mindset materials.
<u>One to one tuition</u>	One to one tuition takes place at all three schools; it is targeted at those children requiring additional support.
<u>Oral Language Interventions</u>	The increased adult/pupil ratio in EYFS does help to support oral development. The RWI scheme of work for phonics and early reading does involve regular oral interactions within the classroom
<u>Collaborative learning.</u>	Class teachers encourage collaborative working whenever possible. The schools have purchased the Scholastic guided reading scheme that encourages collaborative and independent working.
<u>Feedback</u>	Improving the quality of feedback has been a key area for improvement on our schools. It is a regular focus for our M&E calendar and is a non-negotiable in all subjects. Children also receive teacher pupil progress chats termly.
<u>Early Years Intervention.</u>	Additional adults are used within the EYFS classes to support. All three schools have enhanced adult pupil ratios to support children to reach a GLD. The school have focussed this on the prime areas, in particular PSED skills for boys. The schools are working closely with the pre-schools and children's centre to further develop good transition.

5. Impact of spending 2017/18

In EYFS	<p>High: The small class sizes in EYFS and the well-established preschool has had an impact. Children receive bespoke interventions. Baseline scores are variable and end of EYFS percentages are unreliable due to low cohort numbers. Children have received early phonics interventions.</p> <p>There were no pupils in EYFS eligible for the pupil premium during the academic year 2017/18.</p>
In KS1	<p>Mixed: The impact in KS1 is evident in the improvement in attainment from 2017 to 2018. Data is now in line with national averages in all subjects. The next steps for our schools are to increase the numbers of children attaining greater depth. While attainment for pupil premium children is below that of the other pupils these children have made good progress from their starting points.</p>
In KS2	<p>One child eligible for pupil premium makes data trends unreliable.</p>
