Dear Parents

Playground Safety

Please could I ask that children coming to school on bikes should get off at the school gate and walk them to the bike shed, the same applies at the end of the day; children should pick up their bikes and walk them out of the gate before getting on. Also in the interests of safety, would you keep pre-school children with you at all times and please ensure they do not run around near the entrance to school.

Library Van Holbeach St Marks
