| The Den   | This is me!              | Number.              |

**Hilltop Residential**

We have now had confirmation from Lincolnshire County Council that we will be receiving all of the insurance claim for the Hilltop residential visit. As soon as this money is in our budget, we will be reimbursing all monies paid back to parents.

**Illness**

If your child is displaying Covid 19 symptoms, you must not send them to school. The symptoms are as follows:

- High temperature
- Persistent cough
- Loss of smell or taste

A runny nose or a sore throat without a temperature are not Covid 19 symptoms.

If your child is taken ill whilst at school, we will quarantine them and ask you to collect them straight away. In both of these situations, you need to do the following:

Phone 119 or use the following link

<https://www.nhs.uk/conditions/coronavirus-covid-19/testing-and-tracing/get-a-test-to-check-if-you-have-coronavirus/> to book a test.

- If the result is positive, your child must isolate at home for 10 days and the rest of the household must isolate for 14 days.
- If the result is negative, your child can return to school.
- If you are not willing to get a test, then the whole household must self-isolate for 14 days.

**School Work Whilst Self-isolating**

As we always aim to support your child in their education through high-quality provision, if your child is required to self-isolate for longer than 3 days, we will do the following:

| Scenario  | Action   |
|---|--|
| A child is ill or self-isolating and not able to attend your lessons (for longer than 3 days) | Teachers will make themselves familiar with the Oak National Academy. They will email the parents weekly signposting them to the content on the Oak that most matches the content to be studied in class.  |
| A bubble is self-isolating and therefore the children and staff are not in school.            | If the teacher is well, then they will swap to delivering their lessons via TEAMS daily.<br>If the teacher is unwell, then they should signpost to the Oak content that most fits with what they should've been doing during the lessons in class.     |
| The school is closed due to an outbreak or local lockdown.                                    | If the teacher is well, then they will swap to delivering their lessons via TEAMS daily.<br><br>If the teacher is unwell, then they should signpost to the Oak content that most fits with what they should've been doing during the lessons in class. |
| Where parents do not have access to online learning.  | Printed learning packs will be prepared by the class teacher and sent home for parents.  |

### Water bottles and uniform

All children will need to bring their own water bottles to school. Your child's name must be put on their water bottle. Also, please make sure that your child's name is in their sweatshirts.

### PE Day for Term 1

| Class     | PE Days                |
|-----------|------------------------|
| China     | Wednesday and Friday   |
| Australia | Wednesday and Friday   |
| France    | Tuesday and Thursday   |
| Italy     | Tuesday and Friday     |
| Brazil    | Monday and Friday      |
| Mexico    | Tuesday and Wednesday  |
| Canada    | Wednesday and Thursday |
| USA       | Tuesday and Wednesday  |
| Spain     | Monday and Friday      |
| Portugal  | Monday and Friday      |

### Childminders in Sutton Bridge

We were very sad to see the Sunbeams Playgroup close at the end of July 2020. We did all we could to keep this facility open, but to no avail. We thought that due to this, some parents may be looking for childcare facilities so we have listed two childminder establishments that do have spaces available for pre-school children and children who might need before and after school care.

They are:

**Claire's Cheeky Cherubs:**

**Contact number 07599849377**

**Suzanne's Tiny Tractor Childcare:**

**Contact number 07584095050**

### Flu Vaccinations - 10<sup>th</sup> November 2020

The annual flu vaccination (nasal spray) is due to be given in the second term of this academic year 20/21. This vaccination is recommended to help protect your child against flu. Flu can be an unpleasant illness and sometimes causes serious complications. Vaccinating your child will also help protect more vulnerable family and friends by preventing the spread of flu. Please go on the following link to complete the online consent form for your child(ren):

<https://www.lincolnshireimmunisations.co.uk/>

You will need to enter the following code to ensure the completed form can be correctly allocated to your child's school: **EE120502**

### Dates for Diary

22<sup>nd</sup> Oct - End of term 1

2<sup>nd</sup> Nov - Start of term 2

Yours sincerely,  
Miss K Wiles  
Headteacher
