Reading at home

We are very keen to help you read with your child, so we've included a slip offering various options. We would appreciate it if you could fill it in as soon as possible and hand it in to your class teacher.

Maths and English Topic

At the start of each new Maths topic, your child will be bringing a 'knowledge organiser' home with them. This will provide you with an overview of the knowledge and skills your child will be taught during that topic. You will also receive one for English. We would like you to use them as a reference to support your child at home with their learning. We would also like to encourage you to come speak to your children's class teacher if you have any questions about their current learning.

We have had some reports of head lice in school again. Please make sure you check your child
