Children's Books

We would like to thank all those parents who have kindly donated books to school. The books will be shared between the schools and classes. If you are not able to buy a book, then a Facebook share with friends would be appreciated.

Thank you!

Children Starting Primary School

We are hoping to hold a parent meeting in June, for all the new pupils who are due to start school in September 2021. At present, we are just waiting for guidance from the local authority.

School Attendance

During recent monitoring of school attendance, our governors have identified that attendance in 2018/19 was significantly improved on 2017/18. This improved attendance had a direct impact on raising attainment for pupils. As it is now mandatory again for all children to attend school, we aim for attainment to increase, following a dip due to COVID lockdowns. Governors would like to say THANK YOU to all parents and carers for your support and partnership in sending your children to school every day. Following a period of time working on our catch-up curriculum, along with improved attendance, we hope to bring you further good news of your child's success. Please continue sending your child to school every day.

Family Worker

Just to remind parents that Amanda Cooke, our Family Worker, is in school. If any parents need any support, you can call her on her work mobile. The number is 07384225477.

Water Bottles

Can we remind you that each child should bring their own water bottle with fresh water into school every day.

Bikeability Level 1 & 2

We will be holding bikeability sessions for the Y5 and Y6 pupils on the week commencing 14th June 2021. Children taking part have received an individual letter with the requirements that will need to be met.

Dates for Diary

28th May - End of term 5

7th June - Start of term 6

14th June - Bikeability Y5/Y6 week.

Yours sincerely,
Miss K Wiles
