Portugal		

Friends of Westmere

We would like to say a big thank you to Friends of Westmere, for providing the children with their Easter eggs.

Parent Evening

All parents will receive an email from their class teacher regarding a 10 minute telephone consultation on the progress of their child. These phone calls will take place one night after school on the week commencing Monday 10th May.

Bikeability Level 1 & 2

We will be holding bikeability sessions for the Y5 and Y6 pupils on the week commencing 14th June 2021. Children taking part will receive an individual letter with the requirements that will need to be met.

Lateral Flow Tests

I would like to clarify the guidance regarding the use of the lateral flow tests (the rapid Covid tests that you can do at home).

These tests are to be used if you are asymptomatic (not showing any symptoms). A negative lateral flow test doesn't guarantee that someone isn't contagious - this is why they are only to be used for people without symptoms.

If your child, or anyone in your household, has any one of the symptoms of Covid 19 - a new continuous cough, a high temperature or loss of smell or taste -

your whole household must self-isolate. You should book a PCR test via the NHS or by phoning 119. The PCR tests are the ones where the sample is sent away for analysis.

I appreciate that some parents are being given contradictory advice but the DfE and NHS guidance that we are following states that a PCR test must be used if the person has any symptoms.

Thank you for your continued support in keeping our schools and families safe.

Water Bottles

Can we remind you that each child should bring their own water bottle with fresh water into school every day.

PE Days for Westmere Pupils - Term 5

Class	PE Days
China	Wednesday and Friday
Australia	Tuesday and Friday
France	Tuesday and Thursday
Italy	Tuesday and Friday
Brazil	Monday and Friday
