New Guidance from The Government on Covid 19 For Education Settings

The new guidance states that more evidence has emerged that there is a very low risk of children becoming very unwell from coronavirus (Covid 19), even for children with existing health conditions. Most children originally identified as clinically extremely vulnerable no longer need to shield and should still attend school, unless their GP/Consultant advises against it. Children who live with someone who is clinically extremely vulnerable should also still attend school. If you would like to discuss this further, please email help@griffinfederation.co.uk and we will get back to you as soon as possible.

Staff News

We are delighted to announce that Miss Richardson, China class teacher, will be having a baby at the end of January.

Parking on Anne Road

We have been informed by a neighbour of the school that cars are **double parked on the road and in front of the residents' drive ways and garages.** Can we remind you to be considerate to residents who live on Anne Road. Some of the residents are disabled and need carers to visit them throughout the day. We would also like to remind you that if we needed an emergency vehicle at school, they would have great difficulty in getting to us. Also, please do

not park or wait on the zig zags at the Bridge Road entrance.

'Meet the Teacher'

All parents should have received an email from their class teacher regarding an optional 5 minute 'meet the teacher' telephone consultation. The purpose of this chat is to talk about how they have settled in. These phone calls will take place one night after school on the week commencing Monday 9th November.

Children involved with outside agencies

Our SEND leader, Miss Scarsbrook, has asked that if your child is seen by an outside agency, please could you provide her with a copy of any reports that have been issued as a result of the meeting. This will help us to provide any support in school that is needed.
