

The Griffin Federation

Building Bridges for the future

Sports Premium 2017/18

Impact statement

Participation

Competitions entered this year (run by outside agencies – Agilitas Sports):

- Year 3/4 Tag Rugby
- Year 5/6 Tag Ruby
- Year 3/4 football
- Year 5/6 football

- Year 5/6 volleyball
- Year 3/4 football (run and organised by Pinchbeck United Football Club)
- Year 5/6 rounders

An increase of 5 competitions were entered compared to last year where only 2 competitions were entered.

- 68% of KS2 children at Westmere have participated in organised sports competitions by outside agencies **(an increase of 32%)**
- 77% of KS2 children at HSM have participated in organised sports competitions outside agencies **(an increase of 24%)**
- 75% of KS2 children at GDE have participated in organised sports competitions outside agencies **(an increase of 37%)**

All three schools have achieved their highest finishing positions in all competitions. These achievements are celebrated on the schools' newsletters and on the school website.

Intra-school competitions:

- Football – All 3 schools have played each other competitively at football (8 children from KS2 from each school – boys, girls mix)
- Tag Rugby – house teams (children from all 3 schools mixed)
- Quicksticks - house teams (children from all 3 schools mixed)
- Federated sports event – all children from all 3 schools participated (house teams)

Westmere (8 children from KS2) have a team in the local football league (large schools)

HSM and GDE (8 children from KS2) have a joint team entered into the local football league (small schools)

Clubs:

The uptake of sports based after school clubs has much improved.

- 61% of children at Westmere participate in an after school sports club **(an increase of 21%)**
- 70% of children at HSM have participated in an after school sports club **(an increase of 34%)**
- 64% of children at GDE have participated in an after school sports club **(an increase of 49%)**
- Westmere now offer 7 weekly after school sports clubs, up from 2
- HSM now offer 4, up from 1
- GDE now offer 3, up from 1

The children at all three schools have the option to attend any of these 14 clubs.

As the children are now taking part in more after school clubs, this has meant that we have enough teams to hold inter-federation matches.

Sport's specialist coaches have also started to run school sports after school and lunchtime clubs. They also prepare children for upcoming sport competitions

Outside agencies employed to run sports clubs:

- Dance at HSM
- Dance and gymnastics at Westmere
- Football at GDE

Other key points:

- The sports tracker helps to identify physically inactive children outside of school. These children are then targeted to participate in a Change 4 Life club, which is run by the Sports Ambassadors at the 3 schools (monitored by the employed Sports Specialist)
- Houses have added a competition element and allowed greater opportunities for the children to mix within the federation

Standards

Using the sport premium grant effectively has contributed significantly to improving the standards in PE across the federation.

- PE observations and drop-ins have indicated an improvement in the delivery of PE

The implementation of the new assessments formats that were created to go in line with the new curriculum show children are **making good progress in all areas of the PE curriculum.**

All teaching staff completed a staff audit at the start of 2017/18 year. 80% showed that they were not confident in at least 2 areas of the PE curriculum

Dance and gymnastics were highlighted as 'weak' areas so training delivered by Val Sabin to improve knowledge and confidence in these areas

The employment of two sports specialists to help up skills teachers has improved the teacher's knowledge and confidence in teaching most areas of the PE curriculum.

Analysis of staff questionnaires at the beginning of this year indicated that 100% of teachers are now more confident with delivering PE sessions as well as having improved subject knowledge

Pupil interviews showed that 100% of children asked enjoy PE and they can now see their own progression through the introduction of self-assessment booklets.

Quotes from The Griffin Federation's latest Ofsted inspection report:

“The school makes good use of the additional primary sports funding to extend opportunities for pupils and to develop teachers' confidence and skills in teaching a wider range of sporting activities. A sports coach works alongside teachers each week and all pupils have access to swimming lessons. Opportunities for pupils to take part in competitive sports against other schools have increased, and after-school clubs, including football and multi-skills activities, are now available to, and much enjoyed by, all pupils. “

“Good use is made of the extra funding available to promote physical education and sporting opportunities. Support for staff from a specialist coach is helping teachers develop their confidence and skills in a wider range of sports and is improving teaching.”

“Primary sports funding has also been used very effectively to promote pupils' healthy lifestyles, improve their fitness and allow them to perform to the standard of which they are capable. Specialist sports coaching allows pupils to try new sports and they also have increased opportunities to take part in competitions.”
