Times Tables Rockstars

Times Tables Rock Stars is a fun and challenging programme that helps the children to master their tables.

When it comes to times tables, speed AND accuracy are important – the more facts your child remembers, the easier it is for them to do harder calculations. Times Table Rock Stars is a fun and challenging programme designed to help pupils master the times tables!

In addition, the **Soundcheck** game replicates very closely the Multiplication Tables Check that all Year 4 pupils will take in June and so is excellent preparation.

From Year 2, your child's teacher will introduce them to how Times Tables Rock Stars works and allocate a username and password so they can access this at home.

There are two single player modes to play:

Garage – This is the main mode the children should play. Unless the teacher has set specific times tables for the week, the questions will be intelligently selected from all the facts up to 12x12. As pupils start to answer questions, TT Rock Stars works out which facts they take longer on and will give them more of these questions to answer. This will also produce a **Heat Map** which can be viewed to look at progress and identify which facts need additional practice.

Studio – the questions in the Studio can be anything from 2×2 up to 12×12. TT Rock Stars calculates each the mean speed from their last 10 games in the Studio and translates into a **Rock Status**.

There are also multi-player modes:

Rock Arena – The Arena allows players to compete against all other members of their Band/Class (their Band mates would need to join the same game in order to compete together).

Rock Festival – The Rock Festival games are open to players from around the world. The questions are selected at random from 2×2 to 12×12.

It's absolutely essential that your child regularly does a little bit of times table practice every night. Short bursts of practice on a daily basis are more effective than spending hours once a week.

Times Tables Rockstars can be easily accessed with internet browsers or alternatively with phones and tablets using the Times Table Rockstar app. For internet browsers, visit https://ttrockstars.com/ for apps, visit the App/Play Store.
