Pupil Premium Plus Funding

If you're caring for a child under a Special Guardianship Order, an Adoption Order or Child Arrangements Order, extra funding is available to ensure they are given extra support in school. Please see the leaflet attached.

Has your child outgrown their uniform?

If you have any unwanted uniform, we would welcome this to be brought into school, clean. At GDE and HSM, we will keep this in school and it will be available to parents. At Westmere, there will be clothes rails kept in St Matthew's church so parents are able to go and help themselves when the church is open. We will let you know when this is set up. Please bring any donations to the school offices. Thank you.

Headlice

Please check your child regularly for headlice and treat if you find any. Here is the NHS advice on treating headlice.

How to get rid of head lice
Treat head lice as soon as you spot them. You can treat head lice without seeing a GP.
Check everyone you live with, or have close contact with, and start treating anyone who has head lice on the same day.
There's no need to keep your child off school if they have head lice. You do not need to wash your laundry on a hot wash.

Wet combing
Lice and nits can be removed by wet combing. You can buy a special fine-toothed comb (detection comb) online or from pharmacies to remove head lice and nits. There may be instructions on the pack, but usually you:

- wash hair with ordinary shampoo
- apply lots of conditioner (any conditioner will do)
- comb the whole head of hair, using the detection comb, from the roots to the ends

It usually takes about 10 minutes to comb short hair, and 20 to 30 minutes for long, frizzy or curly hair. When you've finished combing the hair, comb through all the hair again for a second time. Do wet combing on days 1, 5, 9 and 13 to catch any newly hatched head lice. Check again that everyone's hair is free of lice on day 17.

Medicated lotions and sprays
If wet combing has not worked or is not suitable, you could try a medicated lotion or spray. These kill head lice in all types of hair, and you can buy them from pharmacies, supermarkets or online. Head lice should die within a day. Some lotions and sprays come with a comb to remove dead lice and eggs. Some treatments need to be repeated after a week to kill any newly hatched lice. Check the pack to see if they're okay for you or your child to use, and how to use them. If lotions or sprays do not work, speak to a pharmacist about other treatments.

Times Tables Rock Stars Tournament

It's that time again! We will be holding another federation-wide tournament where houses (Nene, Ouse, Welland and Witham) will compete to score the most points and claim a trophy. Between 7am and 7pm, children can log on to **play.ttrockstars.com** and play in any game mode with every correct answer to a multiplication or division question earning themselves and their house a point. The winning house will have the honour of decorating the TTRS Trophy with their house colours and displaying it in school at the end of the tournament. There will also be certificates for the top players within each house and a prize for the class with the most engagement. In addition, the winning team will get to wear their colours on a non-uniform day (date to be confirmed). The tournament runs from **Monday 28th September 2026 to Friday 16th October 2026** with the winners being announced on Monday 19th October 2026. In the

spirit of the tournament, please don't play on your child's behalf. We do know sometimes children can become obsessed with gaming (even educational games), so please support them to understand that taking part should be fun- it shouldn't impact on family plans or cause high stress levels.

Footwear, jewellery, false nails, nail varnish, makeup and toys

We would like to give you a reminder about some of our policies which we have already had to speak to several parents about. Children should wear dark coloured school shoes or smart summer sandals. We do not allow heels or casual shoes such as mules, Crocs or coloured trainers. Children may only wear studs or sleeper earrings and a watch (no smart watches). They should not wear necklaces or bracelets of any kind. We do not allow makeup to be worn in school. Some children recently have had false nails – these should not be worn, especially as long ones can cause injury to the person wearing them if they are caught, or to someone else if they are scratched. We also do not allow nail varnish to be worn. Children should not bring toys or resources (including fidgets) into school as these can get lost or broken and can cause arguments and upset. We know sometimes children try to sneak these things into school, so we ask that you please speak to your child and check they don't have any of these things – Thank you!

The Griffin Way

We have a new behaviour curriculum called The Griffin Way. At our schools, we develop children's character through 'The Griffin Way' curriculum. In order to build character, we define the behaviours and habits that we expect students to demonstrate. We want to support our pupils to grow into adults who are polite, respectful, grateful and who put others before themselves. We believe that, as pupils practise these behaviours over time, they become habits that positively shape how they feel about themselves and how other people perceive them. As philosopher Will Durant states, "We are what we repeatedly do. Excellence, then, is not an act, but a habit."

Our aim is to teach the behaviour we want to see, recognise it when we see it, calmly correct it when we do not, and use consequences and restorative practice to help pupils put things right and make a better choice next time. Please see the attached information for parents which gives more details.

Attendance

The Department for Education updated school attendance guidelines, effective from 19th August 2024, stressing the importance of regular attendance for academic and social development. Parents must report absences by 8:30am daily and provide proof for medical appointments during school hours. Term-time holidays are no longer allowed and will be marked as unauthorised unless exceptional circumstances apply. Unauthorised absences, including late arrivals or unapproved holidays, will lead to penalty notices after 10 sessions (5 days) of absence within a 10-week period. Parents could face fines or legal action if absences persist. If you are struggling with attendance in any way, please come and talk to us as we can often offer some kind of support.

Each week, we will publish attendance figures for the week and one child from each class will get the attendance award and become an attendance hero. One class from each school will get the class certificate for the week. Our weekly target is 95%.

Value of the Week

Each week we have a value of the week where we focus on one of our federation values. We discuss what this value is and how we can live this out in our everyday lives. At the end of the week, certificates are awarded to children who have who have shown evidence of that value during the week. Our values are Wisdom and Knowledge, Koinonia (working together), Respect, Perseverance.

Our Value next week is: **Perseverance**

Fundamental British Values

- Democracy - A culture built upon freedom and equality, where everyone has an equal say, and the government is accountable to the people.
- The Rule of Law - The principle that all individuals are subject to the same laws, ensuring a safe, orderly, and fair society
- Individual Liberty - The freedom to make personal choices, pursue goals, and express oneself freely within the bounds of the law.
- Mutual Respect and Tolerance - Understanding that people have different faiths, beliefs, and values, and respecting those differences without imposing one's own views.
- As part of our curriculum, we teach about British Values and how these are lived out in life and around our school.

  Each week, we will focus on one of the values. Our next British value is **Individual Liberty**
