Welcome

We would like to warmly welcome all children (our Griffins) and parents to a new school year. Many of you are returning but there are also a number of you who are starting our schools for the first time - we hope you've had a lovely summer. The children have had a fantastic couple of days in school already, and we are all excited for what the year will hold. We aim daily for all our children to be safe and happy, and to enjoy their learning and their social time with friends. If you would like to speak to any member of staff through the year, please speak to the office, or the class teacher at the end of the day. If you have a concern, please do come and talk to us as we can mostly help in some way. We also have a family support worker, Amanda, who is available to all of our families to discuss any worries, and who can often support in practical ways. If you would like to speak with her, please ask at the office.

Diary Dates

Friday 23rd October – End of Term 1
Monday 2nd November – Term 2 starts
Friday 18th December – End of Term 2

Attendance

The Department for Education has updated school attendance guidelines, effective from 19th August 2024, stressing the importance of regular attendance for academic and social development. Parents must report absences by 8:30am daily and provide proof for medical appointments during school hours. Term-time holidays are no longer allowed and will be marked as unauthorised unless exceptional circumstances apply. Unauthorised absences, including late arrivals or unapproved holidays, will lead to penalty notices after 10 sessions (5 days) of absence within a 10-week period. Parents could face fines or legal action if absences persist. If you are struggling with attendance in any way, please come and talk to us as we can often offer some kind of support.

Each week, we will publish attendance figures for the week and one child from each class will get the attendance award and become an attendance hero. One class from each school will get the class certificate for the week. Our weekly target is 95%.

Keeping Us Informed

We ask that you please keep us informed of anything which happens at home that may affect your child in school. If you let us know, we can provide support for your child quickly. Sometimes in the past, we have noticed a child 'isn't quite right' but have not been aware of anything significant at home for some time, meaning that the right support wasn't in place straight away. We have ELSA support (emotional literacy support assistant), a family support worker, class teachers and teaching assistants who are all able to help - just have a chat, a phone call, or shoot us an email.

Hot School Meals

To cut down on food waste, we have asked our meal provider, Ideal, to **remove the automatic order facility** for children in Reception to Year 2 who are entitled to Universal Free School Meals. If you would like your child to have a meal, you will need to place an order. If you haven't set up an account yet, please see the attached document that will guide you through the process.

Bright Bites

Bright Bites will be coming to Westmere next week to talk to all children. The Bright Bites programme is about keeping your teeth healthy. This covers teeth names, toothbrushing, sugar awareness and the importance of visiting a dentist.

Home Time Collection

When you collect your child at the end of the day, please keep them with you rather than let them play on equipment. Bikes and scooters must not be ridden on school grounds by anyone as we want to keep everyone safe.

Smoking and Vaping

Smoking and vaping anywhere on school grounds is not permitted.

Dogs

No dogs are allowed on school grounds.

The Griffin Way

We have a new behaviour curriculum called The Griffin Way. At our schools, we develop children's character through 'The Griffin Way' curriculum. In order to build character, we define the behaviours and habits that we expect students to demonstrate. We want to support our pupils to grow into adults who are polite, respectful, grateful and who put others before themselves. We believe that, as pupils practise these behaviours over time, they become habits that positively shape how they feel about themselves and how other people perceive them. As philosopher Will Durant states, "We are what we repeatedly do. Excellence, then, is not an act, but a habit."

Our aim is to teach the behaviour we want to see, recognise it when we see it, calmly correct it when we do not, and use consequences and restorative practice to help pupils put things right and make a better choice next time. Please see the attached information for parents which gives more details.

School Uniform

What a child wears to school reflects his/her attitude to learning. It portrays the school's ethos and shared positive values. The school governors have agreed a uniform for the children of the school to wear. It is hoped that all children will wear the school uniform as it is both practical and smart. The items of clothing in the uniform are such that they may be obtained from shops in local towns such as Kings Lynn, Wisbech and Holbeach or through one of the many Mail Order catalogues available. Items marked with a star can be purchased through the school office and have an embroidered logo, alternatively you can purchase a suitable alternative.

Holbeach St Marks - Tesco Fruit & Veg Grants – Please Vote for Our School!

We are excited to share that our school Gardening Project has been selected for the Tesco Fruit & Veg Grants Programme and will be taking part in a customer vote at **Holbeach Tesco from 3 August 2026 until the end of November 2026.**

Every vote could help us secure funding to enhance opportunities for our pupils and support exciting projects within our school community. When you shop at Tesco, simply make any purchase and you will receive a voting token at the checkout. Place your token in our school's voting box and help us move one step closer to receiving this valuable funding. Please encourage your family members, friends, neighbours and colleagues to vote whenever they visit Tesco during the voting period.

Thank you for your support – together we can make a real difference for our children.

Value of the Week

Each week we have a value of the week where we focus on one of our federation values. We discuss what this value is and how we can live this out in our everyday lives. At the end of the week, certificates are awarded to children who have who have shown evidence of that value during the week.

Our Value next week is: **Wisdom & Knowledge**

Fundamental British Values

- Democracy - A culture built upon freedom and equality, where everyone has an equal say, and the government is accountable to the people.
- The Rule of Law - The principle that all individuals are subject to the same laws, ensuring a safe, orderly, and fair society
- Individual Liberty - The freedom to make personal choices, pursue goals, and express oneself freely within the bounds of the law.
- Mutual Respect and Tolerance - Understanding that people have different faiths, beliefs, and values, and respecting those differences without imposing one's own views.
- As part of our curriculum, we teach about British Values and how these are lived out in life and around our school.

  Each week, we will focus on one of the values. Our next British value is **Mutual Respect & Tolerance.**
